I wish I had a little more command
You're the person that I'd display
And if I didn't seem so crazy
You'd might like me better that way
Seems that nothing's coming up for better
May I suggest me something to you
Worry wont lead to change
Cause I know something better to do
Wont youÃ¢â€Œ!

Try a little understanding baby
Try to understand me
Try a little understanding baby
Try to understand me

I admit that I am living in the past
'cause' I like it that way
But the happiness I know of giving
Equalize or I'd go insane

Now I know that I may have cause some sorrow
Will nothing cause I'm living that way
So before you reach any conclusions
Or judge me in a negative way
Wont youÃ¢â€Œ!

Try a little understanding baby
Try to understand me
Try a little understanding baby
Try to understand me

I know that this may sound crazy
Unconscience and it's insanity (?)
This is for the record
But you don't have to worry 'bout me

Try a little understanding baby
Try to understand me
Try a little understanding baby
Try to understand me

Try, try, try, try

Try, try, try, try
