I can break through any weather, when the rain don't
get better
I'm smiling at the sun shining
Even when the snow starts falling
It gets a little cold but my heart still knows that I can win
Cause I never give up, never give in
I got nothing to lose, so much to give
I know that I can do whatever I put my mind to cause I
know
It's my time, my time, nobody's better hold me back
My time, my time, don't even try to
My time, my time, nobody's better hold me back
My time, my time, I know I'll get through

Every time I'm feeling down, turning music up real loud
I dance my tears away
Right before I hit the stage, all my feels fade away
I know I'll be okay, cause
Cause I never give up, never give in
I got nothing to lose, so much to give
I know that I can do whatever I put my mind to cause I
know
It's my time, my time, nobody's better hold me back
My time, my time, don't even try to
My time, my time, nobody's better hold me back
My time, my time, I know I'll get through

When I'm lost inside myself
When I feel like someone else
I just look inside my heart from all dreams
I can break through any weather, when the rain don't
get better
I know, I know, I know
It's my time, my time, nobody's better hold me back
My time, my time, don't even try to
My time, my time, nobody's better hold me back
My time, my time, I know I'll get through
My time, my time, ,
My time, my time, nobody's better hold me back
My time, my time, my time, my time nobody's gotta
hold me back.
