Tears are diamonds, a pillow of stone
I lay there waiting for you, but you never showed
How did this happen to me, I better shake you off
Cause it ain't like I never felt this way before

Oh love, you ain't never been good to me
Oh love, you ain't never been sweet
Tell me why-y-y, why you making a fool of me
Oh love, love, love, love, love
You ain't never been good

You hold me together, then tear me apart at the seam
So inconsistent, you come and you go as you please
Can't let this happen, I better shake you off
Cause it ain't like I never felt this way before

Oh love, you ain't never been good to me
Oh love, you ain't never been sweet
Tell me why-y-y, why you making a fool of me
Oh love, love, love, love, love
You ain't never been good
You ain't never been good
You ain't never been

There when I needed you
There when I cried
Asked you for truth and all you gave me was a lie
Oh love, I think I've had enough
I'm so tired of running in circles
Believing you're with me
When all you keep doing is hurtin' me

Oh love, you ain't never been good to me, no no no no
Oh love, you ain't never been sweet
Tell me why-y-y, why-y-y-y-y, why you making a fool of
me
Oh love, love, love, love, love
You ain't never been good, no no no, no no-o-oh
You ain't never been good
You ain't never been good to me, no no no
You ain't never been good
