Could it be, he's interested
Or am I just wanting it be so
Do I dare speak to him
Or should I let the moments go

Forget this hunger inside, forget this hunger inside
Should I let the feelin' flow, should I just let it flow
Ain't nothin' but a maybe?
Oh and baby, I sure would like to know

Could it be, he's just friendly
And that's nothing to get excited about
On the other hand he could be answering
The good vibrations I'm sendin' out

Well, I just don't know what I'm really see in
Should I make a move or keep on daydreamin'
Ain't nothin' but a maybe
Oh and maybe baby, I sure would like to know

Wanna know?
Wanna know?

Could it be, he's interested
Or should I let the moments go and

Forget this hunger inside, forget this hunger inside
Should I let the feelin' flow, should I just let it flow
Ain't nothin' but a maybe?
Oh and baby, I sure would like to know

Forget this hunger inside, forget this hunger inside
Should I let the feelin' flow, should I just let it flow
Ain't nothin' but a maybe
Ain't nothin' but a maybe, baby

Forget this hunger inside, forget this hunger inside
Should I let the feelin' flow, should I just let it flow
Ain't nothin' but a maybe
Ain't nothin' but a maybe, baby

Forget this hunger inside, forget this hunger inside

Should I let the feelin' flow, should I just let it flow
Ain't nothin' but a maybe
