Hey everybody, Mister Rufus is back
And I have another dance I know you're gonna like
You can't do the penguin, unless you shuffle your feet
When you do the funky penguin, I no sorry

[Chorus:]
Do the funky penguin,
Do it right now
Do the funky penguin,
Do it right now

[Scat]

Do in the United States
Way over in England
Want you to know what I'm talking about
I'm talking about the funky penguin

[Repeat Chorus]

Listen
Shuffle to the left
Shuffle to the right
It's so good to you baby
You can do it all night
Everybody doing it
It's all over town
It don't mess around, heh
You got to get on down

[Repeat Chorus]

Get on your feet
Kick off your shoes
Let it all hang out
And got nothing to lose
Do it with your partner
Do it by yourself
You don't hurry up and get it
You're gonna get out

[Repeat Chorus]

Do the funky penguin
Make it funky now
Do the funky penguin
Make it funky now

Did you heard me?
Did you heard me?
Did you heard me?

[Repeat Chorus]

I'm gonna do that funky penguin
I'm gonna do the funky penguin
I'm gonna do that funky penguin
Everybody's doing it
Everybody's doing it
Everybody's doing it

[Repeat Chorus]
