Darlin', there's a thing or two, I want to take the time to say

Every moment here with you, puts heaven in my day  
I'm mystified by the smile that blossoms on your face  
And the magic seems to lift me to a cloud where we embrace

I don't have to dream no more, no  
Now I believe in miracles  
Your love turned my world around

Heaven bound, heaven bound  
Heaven bound, heaven bound, yeah

Oh, I simply must confess, I'm glad to be a girl  
You've got to be an angel 'cause you put heaven in my world  
Your shadow is my tropic sun and it's summer all year long  
Your presence is my paradise how could anything go wrong

Now I'm absolutely sure that you're  
All I've been living for, yeah  
Your love turned my world around

Heaven bound, heaven, oh yeah  
I'm in heaven, heaven  
I'm in, I'm in heaven, heaven  
I'm in, I'm in heaven, heaven

Every time I'm near you, my heart just won't keep still  
The closer that I get to you, the better that I feel

I don't have to dream no more, no, no  
Now you're all I'm living for, yeah  
'Cause your love turned my world around

Heaven bound

Heaven bound, heaven bound  
Heaven bound, heaven bound

Heaven bound, heaven bound
