Please stay with me now, don't you let me go  
I'll make it somehow, I got to let you know  
That I'll make it, somehow, some way  
Though I wait on the day, what I'm doing's gotta pay  
Some way, somehow

My baby, when he cries  
It's 'cause something's on his mind  
This world is full of lies  
You and me are one of a kind

The good Lord will stand behind every step  
We are blind to fate, that's life, that's life

Stay, stay  
(Won't you please)  
Stay, stay, stay, stay  
Stay, stay

It fits, but you can't make it work  
Where there's pain, there's got to be hurt  
And the green grass grows from the dirt  
Yeah, that's a fact of life, alright

The good Lord stands behind every step  
We are blind to fate, that's life, that's life

Stay, oh, won't you please  
Stay, stay, stay, stay  
Stay, stay, stay, stay, hey

Stay  
(Right here)  
Stay  
(Don't you go, no no)  
Stay  
(Oh no no)  
Stay  
(Stay baby baby please stay)  
Stay  
(Right here, right here, right here)

Stay  
(I want you to stay right here)  
Stay  
(We can stay here, together, together, yeah)  
Stay  
(Don't listen to what people say)  
Stay  
(Stay, stay, listen now, yeah)  
Stay  
(Stay, yeah, yeah, now)
