Swing down chariot, stop and let me ride
Swing down chariot, stop and let me ride
Rock me, ma, rock me, pa
Coming easy, I got to hold on the other side

Swing down chariot, stop and let me ride
Oh, swing down chariot, stop and let me ride
Oh, rock me, ma, rock me, pa
Coming easy, I got to hold on the other side, yeah

Swing down chariot, stop and let me ride
Swing down chariot, stop and let me ride
Rock me, ma, rock me, pa
Coming easy, I got to hold on the other side

Swing down chariot, stop and let me ride
Swing down chariot, stop and let me ride
Rock me, ma, rock me, pa
Coming easy, I got to hold on the other side

Oh, swing down chariot, stop and let me ride
Oh, swing down chariot, stop and let me ride
Rock me, ma, rock me, pa
Coming easy, I got to hold on the other side

I got to hold, I got to hold
I got to hold, I got to hold
I got to hold, I got to hold
