When your groove comes down on you
You can do what you wanna do
When your groove comes down on you
You can do what you wanna do

There's a lot of dancin' going round
You tried them all and put some down
Everybody's got their own way of movin'
It don't matter as long as we're groovin'

Walk on, walk the rockway
Walk on, walk the rockway
Walk on, walk the rockway
Walk on, walk the rockway

When your groove comes down on you
You can do what you wanna do
When your groove comes down on you
You can do what you wanna do

Can you move it around and let me see it?
Just walk over here and I'll get down with ya
Keep on now, let's keep groovin'
If you better come on and get down to it

Walk on, walk the rockway
Walk the rockway, walk the rockway
Walk on, walk the rockway
Walk the rockway, walk the rockway

When your groove comes down on you
You can do what you wanna do
When your groove comes down on you
You can do what you wanna do

It's a dance, if you wanna dance
It's a dance, if you wanna dance

Keep on movin' around let me see it
You just walk over here and I'll get down with ya
Keep puttin' it out, let's keep groovin'
Everybody come on get down do it

It's a dance, if you wanna dance, walk on the rockway
[Incomprehensible] walk on the rockway
It's a dance, if you wanna dance, walk on the rockway
[Incomprehensible] walk on the rockway
It's a dance, if you wanna dance, walk on the rockway
[Incomprehensible] walk on the rockway
