I woke up early this morning  
Hand in hand [Incomprehensible]  
The woman I love was at the head of my bed stand  
The landlord wanted his rent

I went out on the corner  
To see what I could do  
I guess I get to play the races  
I'm passin' it on to you

6-3-8 is the number today  
6-3-8 is the number you better play

I don't believe in Gypsy's  
Readin' out the palm of my hand  
Don't believe in lady luck  
She just wouldn't understand

I believe in Joe  
Down by the Candy store  
You would too, good people  
If you know just what I know

6-3-8 is the number today  
6-3-8 is the number you better play  
Yeah, you know

Rusty is pretty fast  
I just wanna prove you could  
I do hope, you heard what I said  
'Cause there ain't no okay do

There ain't no way for you to catch him  
That is plain to see  
But if you want to get your Rusty  
You better listen to me

6-3-8 is the number to play  
6-3-8 is the number that's comin' today

Come on, come on now  
Come on, come on now

Come on now

6-3-8 is the number that's comin' today  
6-3-8 is the number you better play

Come on, all y'all  
Come on, don't walk me y'all  
I said, come on y'all  
I said, come on y'all

6-3-8 is the number you better play  
6-3-8 is the number that's comin' today

I ain't lyin'  
I ain't lyin'

6-3-8 is the number that's comin' today  
6-3-8 is the number you better play

6-3-8 is the number you better play  
6-3-8 is the number that's comin' today

6-3-8 is the number that's comin' today  
6-3-8 is the number you better play
