You know what you said about me, don't you woman...  
Well, you ain't nothin' but a bear cat  
Been scratchin' at my door  
You ain't nothin' but a bear cat  
Been scratchin' at my door  
You can purr pretty kitty  
But I ain't gonna rub you no more

You said you was a long-hair  
But I can see through that  
You said you was a long-hair  
But I can see through that  
And mama I know  
You're just an old bear cat

You ain't nothin' but a bear cat  
Been scratchin' at my door  
Ain't nothin' but a bear cat  
You been scratchin' at my door  
You can purr pretty kitty  
But I ain't gonna rub you no more

Whoa, rub you!  
Whoa, git with it now  
Git it, git it, git it, git it!  
Oh, listen to that old cat  
Meooowwww... scat!  
Oh, tip it miss kitty  
Tip it honey, tip it!  
Hey!  
I'm tellin' you honey...

You made me feel so mean  
Made me moan and groan  
You made me feel so mean  
You made me moan and groan  
You ain't wantin' no man  
You're just lookin' for an old soup bone

You ain't nothin' but a bear cat  
Been scratchin' at my door

You're just an old bear cat  
Been scratchin' at my door  
You can purr pretty kitty  
But I ain't gonna rub you no more

Meow, meow  
Meoooww, meooooowwww!
