The world is round  
But it's crooked just the same, yeah, yeah  
I know the world is round  
But it's crooked just the same, yeah, yeah

And you'll never, never know  
Just what man there is to blame, yeah, yeah

Wait a minute  
I want to tell you something

'Cause there's the teacher  
The preacher, gamblin' man  
Dark side will make it  
On a easy plan

Lawyer, doctor  
Even town breaker  
I'm tryin' to keep up  
With the undertaker

Chauffeur's runnin' around  
With them still knockin' for girls  
Drummer in the band  
Been this way to the world

We just end up pooping  
Jumpin' up and down  
Sisters in the corner  
I'm Alabama bound

The world is round, round, round, round  
But it's crooked just the same, yeah, yeah  
And you never, never know  
Just what man there is to blame, no, no

I know, you know, they know  
That the world is round  
I know you know, everybody know  
That the world is round  
The world is round, oh, yeah  
The world is round
