Someone is dying, someone is crying for you .  
It's the road I want I knew .  
I reach pass the seasons, and challenge the reasons for you .  
Can't you see ? I'm feeling blue .

Ref.:

You took my soul, now I'm cold .  
It's just the way things were fall .  
Worst left untold .  
I gave up believe in you !  
Took my soul .  
And maybe now we are too old .  
Please, now you know .  
Touch me ! Just for one last time .

Once in a lifetime, it was the right time with you .  
Now I know what it is , to lose .  
I won't lose the feelings,  
I'll always be dreaming of you .  
Things are changed, but nothing's new .

Ref.:

You took my soul, now I'm cold .  
It's just the way things were fall .  
Worst left untold .  
I gave up believe in you !  
Took my soul .  
And maybe now we are too old .  
Please, now you know .  
Touch me ! Just for one last time .

Believe me ! You took my soul !  
I gave up believe in you !  
Took my soul .  
And maybe now we are too old .

Please, now you know .  
Touch me ! Just for one last ... time .  
One last tÃme ...
