[Anubis5] I am the awesomest guy in the world I rock
aviators and I got the most beautiful girl I play Sega
Genesis daily I'd play video games professionally if I
could find someone to pay me I like Bohemian, it's my
favorite beer My hip hop playlist consists of Epic and Ill
Seer Good folk no joke, I've met them both Rocked
stages in different places with random folk I'm a
Canadian with a heavy appetite I like Marineland and a
bonfire at night Fubar practically raised me So I just f'n
giver until the last day of my pay week Canada's ill,
Kenny and Spenny live here I trot from Niagara Falls to
Vancouver's piers We have no wars and our rap scene
rules But don't judge me if I say Dallas Green is cool
[Hook] [Anubis5] I've gotten drunk with Jim Lahey and
Randy I've been to Edmonton but I've never been to
Calgary Doug Gilmour was interstellar He took out his
false teeth for me in Zellers [Cancer] Bought tickets to
a K-Os concert but that motherfucker cancelled on me
In the Galleria London I saw that hot bitch from YTV I
remember watching Much Music, seeing Nam's nipples
poke out Fuck with us and I'll kick your ass like my
name was Sam Stout [Cancer] Born into poverty, not
much to do but drink, fuck, fight and steal cars Blaze a
blunt and reminisce, a true survivalist with real battle
scars That was an age long ago in a galaxy far, far
away Without the hard times I wouldn't be the MC you
see today Never been to Van City but I'm still a Canuck
Maybe someday I'll be famous enough to do a show
with Buck My favorite TV show would have to be
Mantracker Dropping the most lethal bomb that will
explode like a nuclear reactor Fine finesse flow like the
well dressed girls in Montreal Some of the hottest
females I've ever seen were at the mall Real Canadian
like the super store funky fresh Our Motley Crue of
artists just seem to mesh Galvatron Omega is the
name we guarantee you will never forget Just try me, I
got the luck of the Irish son, I never lose a bet Just
turned on the London news and seen that they finally
caught Snare A world renown tag writer, I swear his shit
was everywhere [Hook] [Anubis5] I've gotten drunk
with Jim Lahey and Randy I've been to Edmonton but

I've never been to Calgary Doug Gilmour was
interstellar He took out his false teeth for me in Zellers
[Cancer] Bought tickets to a K-Os concert but that
