"Let your daughter go!"
I tell your mom
And for the hundred time
I hear the answer:
"She's not home!"

Chorus (2 times):
Don't stay home, don't stay home alone!
I'm begging you
Don't go crazy!
I want to take you away from sadness
Mom let your daughter go, let her go!

I'm begging you
Don't let go
Don't be mad at life
And don't mourn!
Remember that you have us,
Your best friends.
Tomorrow at 6 o'clock
I'll be at your place.

Once again i'll be
Waiting by your window
Once again i will
Ring at your door
I'll beg your mom
To forgive you everything
And let her daughter go.

Chorus 3 times

Don't stay home, stay home.. (3 times)
