Don't let me
[Laykous]
Don't let me please
In my life you're so good
Don't let me please
You're the best, only you
Don't let me please
And we go to my bed
My house is the place
Where you live everyday

[JCG]
Ay si de mi te vas
No llores que siempre contigo voy a estar
Que dios me de fuerzas para luchar
Dia con dia contigo quiero estar
Hiciste este amor especial
Resisteee, has tu corazon invensible

[Chorus]
Because forever I love you
The feeling that I have is true
Tell me now if you love me
Because without you... is my kill

[Laykous]
Hey you...
Forever I love you
Only you, I want you
And we see the sky blue
I think about you
Together me and you
You belong to me
And I belong to you
And if you let me here only
Don't want living more nothing
I pass a moment sad
I pass a moment raw
I going to crying
And I would be down

[Chorus]

Because forever I love you
The feeling that I have is true
Tell me now if you love me
Because without you... is my kill

[JCG]

Hey baby...
Me and you forever
Haces latir a mi corazon
De una forma sin razon
Soy un poeta
Cuando tu decides ser mi julieta
No te marches... Mi dulce belleza
(Laitha productions jcg and mr laykous again)
Tu decides ser mi julieta
Yeee lara la la la
Hey baby
Vuelve conmigo a mi

[Chorus]

Because forever I love you
The feeling that I have is true
Tell me now if you love me
Because without you... is my kill
