Imam li novog decka
i ko bi to mogao da bude
pitaju me novinari
to zanima ljude
Zute novine bi da plate
za jednu fotku sa njim
al ja bas to necu
da im priustim

Ovako neka lazu
jer papir trpi sve
a ja cu da se smejem
dok citam novine

Paparazzo, ti mozes sve
Paparazzo, hajde slikaj me
Paparazzo, ti mozes sve
Hajde, hajde slikaj me za zute novine

Rap:

Hello Ragazi, here come paparazzis
Head hunters, cheers for the money
The worst, the better
For the front page

They're looking for pantys in the buttocks (this is a bit athwart for translation)

There are some who like to be seen naked
Without money niether face or buttocks is worth
Niether face or buttocks, without money is worth
And then, for example on the same page
They put my picture in PJ's
To confuse people, who are Germans
And who are Partisans
