I came home back to the city  
My rubbers are gone  
And I'm about to hit  
I know we will not always be like this  
But it's a chance  
Not a chance to miss

I know I messed up  
It's not a big deal  
And I'm pretty fucked up  
Everything is unreal  
But as long as it's like this  
It's not a big deal

Got that song on repeat  
X 7

Oh yeah it's a sunny day  
I feel okay but  
I forgot my shades yeah  
There are many ways to work this out  
But right it doesn't really matter  
X 2

Hell yeah I know what you mean  
I should take some time off  
And enjoy your company  
But I need a break  
And I need some time away  
I wonder what the future me would say

Yeah she says  
Yeah yeah she says  
Don't stress  
X 4

Oh yeah it's a sunny day  
I feel okay  
But I forgot my shades yeah  
There are many ways to work this out  
But right now

It doesn't really matter  
X 2

Yeah she says  
Yeah yeah she says  
Don't stress  
X 4

Oh yeah it's a sunny day  
I feel okay  
But I forgot my shades yeah  
There are many ways to work this out  
Bur right now  
It doesn't really matter  
X 2
