[Swizz]

Uhh, yeah yeah yeah  
Yo yo, come on  
Come on Eve, Swizz Beats  
Drag-On baby

[chorus Swizz]4x

We want y'all to move right now

[Drag-On]

Break 'em down  
Put 'em up  
Shake 'em down  
Pat 'em down  
Then bat 'em down  
Get the gun  
Gat 'em down  
Get the rope tie 'em up  
Strike a match lite 'em up  
Then fly 'em up to the spot a pile of dust  
Get the chips stack 'em up bag a bitch dig her out  
Then kick 'em out let dogs sick 'em out  
All I do is tell 'em get the tissue  
I only fuck wit chicks that suck nuts out of pickles  
You want problems? well I'll solve 'em and make examples  
I love bustin out crowds so all people get trampled  
Spit crowds wit the 4-5  
Like when Moses split the tide  
Those that froze chose to die  
Stay higher than a hello, how you doin?  
Burn the rubber till the tires ruin  
Burn a coat of fire human  
Cause this Drag  
Burnin like the grits on Al Green's back  
Causin a switch rock

[chorus]8x

[Swizz]  
Hold on dog  
Who want some of this, gun right here  
All y'all clown niggas put your hands in the air  
Is it you over there? Is it you over there?  
Is it you, is it you, is it you right there?  
Nigga, this ain't that shit that you used to bounce to  
This that thing that you smoke a ounce to  
I'm gonna do it, even without you  
I pop all them clown niggas around you  
This for my playas thats swingin the 4-4  
Wildin out, bustin at po-po  
Comin over here, you got to go yo  
Y'all think y'all got beats it's so so  
Swizz fallen off, nigga thats oh no  
Y'all remain let the dogs go

Simple situation blown away cause you backed up  
Watch out now know you heard about the Ruff ryde  
Deaded at the door watch the floor, who the tough
