I met you last night, it was really alright
We got along
We partied awhile, you gave me the smile
Nothin' went wrong

Hold me close
Hold me really tight
Go ahead
Make me feel alright

Don't go away, I'm so happy
You're just what I need to make it
Don't go away, I'm so happy
You're just what I need

The very next day, you saw us play
It was really a kick
Drippin' in sweat, I got very wet, honey
You did the trick

Hold me close
Hold me really tight
Go ahead
Make me feel alright

Don't go away, I'm so happy
You're just what I need to make it
Don't go away, I'm so happy
You're just what I need

Hold me close
Hold me really tight
Go ahead
Make me feel alright

Don't go away, I'm so happy
You're just what I need to make it
Don't go away, I'm so happy
You're just what I need

I stayed the night, it was really alright
I need our heat

I got kinda cold, you got really bold
Ya said, come to me

Hold me close
Hold me really tight
Go ahead
Make me feel alright

Don't go away, I'm so happy
You're just what I need to make it
Don't go away, I'm so happy
You're just what I need

Don't go away, I'm so happy
You're just what I need to make it
Don't go away, I'm so happy
You're just what I need

Don't go away, I'm so happy
You're just what I need to make it
Don't go away, I'm so happy
You're just what I need

Don't go away
