(George Harrison)

Here comes the sun, here comes the sun
And I say it's all right
Little darlin' it's been a long cold lonely winter
Little darlin' it feels like years since it's been here
Here comes the sun, here comes the sun
And I say it's all right
Little darlin' the smiles returning to their faces
Little darlin' it seems like years since it's been here
Here comes the sun, here comes the sun
And I say it's all right
Sun, sun, sun, here it comes
Little darlin' I feel the ice is slowly meltin'
Little darlin' it seems like years since it's been clear
Here come the sun, here comes the sun
And I say it's all right
Here come the sun, here comes the sun
It's all right, it's all right
