(Joan Jett/Inger Asten)

Little Sister on your rollerskates  
It's Friday nite an' you got a date  
Right in front of the Watergate.  
But now he's gone 'cause you're too late

It's too late to be a kid in love  
It's too late to be a kid in love  
We're the kids in hate

Little sister you're sure lookin' great  
You hope someday you'll be playmate  
Well why did you wait  
Your chance is gone an' now you're too late

It's too late to be a kid in love  
It's too late to be a kid in love  
We're the kids in hate

Little sister don't you be so straight  
Let your old folks call ya jailbait  
This mean world it belongs to us  
It can be yours so don't hesitate(c'mon)

It's too late to be a kid in love  
It's too late to be a kid in love  
We're the kids in hate
