YESTERDAY'S KIDS  
by The Runaways

Early one mornin'  
Got out of my car  
Saw a hippie couple  
taking their love too far.

I laughed at them  
Cuz I'm so cool  
And they looked like  
Dirty old fools

Yesterdays kids are tryin' to hide  
yesterdays kids better step aside  
Yesterday's kids with their horrible lies  
Go on home to your long lonely nights

Let's bring back today  
It's been gone too long  
Your high school Hot  
Days are long gone

Your memory wires  
are all broken down  
Old age fantasies  
are all that you've found

Yesterdays kids are tryin' to hide  
yesterdays kids better step aside  
Yesterday's kids with their horrible lies  
Go on home to your long lonely nights

Hey kids are you ready  
Here's the message  
yea

We're the new heroes  
hot on your heels  
run over u with burning hot wheels  
burn our wheels

wheels burn on  
yea

just so light

your out of circulation  
tryin' to get it on  
to be someone else  
is a what your'e doing wrong

we can see u dodging  
all your private pain  
we don't give a damn  
that u seem so ashamed

Yesterdays kids are tryin' to hide  
yesterdays kids better step aside  
Yesterday's kids with their horrible lies  
Go on home to your long lonely nights
