Am I the aim of your fascination?  
Am I the eye of your storm?  
You call my name like in affirmation,  
You coming right for my door

Pre-Chorus:

With your briefcase and your lust  
You're on a schoolboy kinds question  
All our big deals in the dust  
O-o-o-oh  
Leave your pin-stripes and your 9 to 5  
In my Lolita eyes, come on let's dirty up your eyes  
O-o-o-oh

Chorus:

Cause maybe I was born to make you run like fire  
In your blood, I'm your eternal Sun  
Maybe I was born  
To make you do some thing you never done  
You'll be forever young,  
I'm your Lolita  
Uh, oh, oh, oh, oh  
I'm your Lolita  
Uh, oh, oh, oh, oh  
I'm your Lolita  
Uh, oh, oh, oh, oh  
I'm your Lolita  
Uh, oh, oh, oh, oh

Am I the cause of your sweet salvation?  
Am I the answer you seek?  
You say it all with no explanation  
You want it, dive in so deep

Pre-Chorus:

With your briefcase and your lust  
You're on a schoolboy kinds question  
All our big deals in the dust  
O-o-o-oh  
Leave your Win-stripes and your 9 to 5  
In my Lolita eyes, come on let's dirty up your eyes

O-o-o-oh

Chorus:

Cause maybe I was born to make you run like fire

In your blood, Iâ€™m your eternal Sun

Maybe I was born

To make you do some thing you never done

Youâ€™ll be forever young,

Iâ€™m your Lolita

Uh, oh, oh, oh, oh

Iâ€™m your Lolita

Uh, oh, oh, oh, oh

Iâ€™m your Lolita

Uh, oh, oh, oh, oh

Iâ€™m your Lolita

Uh, oh, oh, oh, oh
