I got a whole bunch of ways
To turn him on girl
He'll come home girl
If you know what I mean

I got a whole bunch of ways
It's all in your tone girl
He'll be gone girl
If you know what I mean

I'll sexify you
Have you thinking about my name
In the middle of the day, hey
And that's guaranteed

I'll sexify you
Have your friends thinking
Boy man, there ain't no way, hey
And that's guaranteed

Make him want a night for two
Which involves some eyes by you
Make his body shake
From naughty strokes
And when you call girl
He'll come home

I got a whole bunch of ways
To turn him on girl
He'll come home girl
If you know what I mean

I got a whole bunch of ways
It's all in your tone girl
He'll be gone girl
If you know what I mean

I'll sexify you
With the bed me eyes
And killer confidence
And that's guaranteed

I'll sexify you
Just make sure that he got enough
Beware, he'll be poppin' up
Makes sense
And that's guaranteed
Ooooooooooooo

Be open to play his game
And then the fun will start
All over again
Keep it going
Girl, don't stop
And he will want
You on top

I got a whole bunch of ways
To turn him on girl
He'll come home girl
If you know what I mean

I got a whole bunch of ways
It's all in your tone girl
He'll be gone girl
If you know what I mean

(You've got to make your mark)
I just want some hanky-panky
(You never forget who you are)
Sexy vs Skanky
(It will change him)
Dancing in my bra and panties
Girl, this is
(He'll always come home)
Instincts to master
Thank me, thank me

I got a whole bunch of ways
To turn him on girl
He'll come home girl
If you know what I mean

I got a whole bunch of ways
It's all in your tone girl
He'll come home girl
If you know what I mean

I just want some hanky-panky
Sexy vs Skanky
Dancing in my bra and panties
Girl, this is

Instincts to master
Thank me, thank me
