"Can We Still Be Friends"

We can't play this game anymore
But can we still be friends
Things just can't go on like before
But can we still be friends
We had something to learn
Now it's time for the wheel to turn
Grains of sand, one by one
Before you know it, all gone

Let's admit we made a mistake
But can we still be friends
Heartbreak's never easy to take
But can we still be friends
It's a strange, sad affair
Sometimes seems like we just don't care
Don't waste time feeling hurt
We've been through hell together

Can we still get together sometime
You know life will still go on and on and on

We awoke from our dream
Things are not always what they seem
Memories linger on
It's like a sweet, sad old song
