Long-lost, gone  
I can tell by the way you carry on  
And it's now I see  
After all of this time what it's done to me  
Can't you see? I can't go free  
If you make me watch you cry one more time

Once more I walk away, once more I hear you say  
Once more please try to stay, once more I may  
Don't tie my hands, don't lock that door  
Don't make me stand for this love anymore  
Please let me leave, don't start making that scene  
Don't crush me in between

No one I wanted more  
I wanted to love, to be mine  
Now it turns out I have to say goodbye  
And I don't see why  
I should have to watch you cry one more time
