Izzat love what I feel when you're in my arms
Make me die before I'd do you harm
When you're lost I will lead you home
If you're cold, you know I'll keep you warm
Am I wrong?
Or izzat love when I dream there is no one else
In the end, who's your friend? Just myself
Izzat love to forget my pride
To conceal how it feels deep inside
Am I wrong?
Or izzat love?
Izzat love to forgive all those things you've done
If you go still you know I'm the one
Only love, love alone can survive
Deep inside I believe it's alive
Am I wrong?
Or izzat love?
