Look out children
Mothers hide all the children who lie
Lockjaw's coming with a rusty nail
He's gonna nail your mouth open wide
Look out children
Boys and girls who do falsify
From the Black Forest with a hammerhead
He's looking for you with a rusty eye

In the Black Forest, lives an ogre named Lockjaw.
Lockjaw doesn't like children
who tell lies. Late at night he stalks the houses of the
fibbers and the
falsifiers, and before they can cry out from their beds,
he nails their jaws
open with a rusty nail, using his head for a hammer.
You may escape him for a
while and think you fooled him, but he'll get you in the
end. He'll get ya!
HE'LL GET YA!!

Lockjaw's coming
Hide your heads, all you lying children
Mothers hide all your lying children
Fathers hide all your lying children

Look out mothers
Telling lies to a gullible child
Lockjaw's coming with a rusty nail
He's gonna nail your mouth open wide
Look out Fathers
Teachers and leaders who do falsify
From the Black Forest with a hammerhead
He's looking for you with a rusty eye

Many people wonder "Could such a terrible tale be true?
Who would make up such
a terrible tale?" It seems such a cruel punishment for
such a tiny little lie.
Well, I've got to confess. It's a fib. I made it up myself.
It's pretty funny,

don't you think? Ha, ha ha! Gag, gag, gag!!!
