Marlene

Marlene, you're the prettiest girl I've ever seen

Do you care for me at all

Marlene, I care for you

And I just don't care who knows it

and I guess that means that I love you

Marlene

Marlene, who'd believe that you're only seventeen

I'm in trouble if your folks get mean

And if they do

Then I don't care if they bust me

and I guess that means that I love you

I don't need no fantasies

Just one thing I need

I you could make it here, Marlene

Dear Marlene, Marlene

Marlene, when I think that it all is just a dream

I remember that your eyes are green

And mine are blue

They will always see each other

and I guess that means that I love you

I don't need realities

Just one thing I need

If you could make it here Marlene

Dear Marlene, Marlene

Marlene, I'm depending on you now
