Let me take you down

'cause I going to Strawberry Fields
Nothing is real and nothing to get hung about
Strawberry Fields forever

Living is easy with eyes closed
Misunderstanding all you see
It's getting hard to be someone but it all works out
It doesn't matter much to me

No one I think is in my tree
I mean it must be high or low
That is the catch you know
Tune in but it's all right
That is I think it's not too bad

Always know sometimes think it's me
But you know I know when it's a dream
I think I know, I mean, oh yes, but it's all wrong
That is I think I disagree
