""sweeter Memories""

There's a cloud in the sky and it's raining on you
Still you try to keep dry but your troubles leak through
And you've lost all you could, feeling sad
Choose your reveries
Keep the good, leave the bad
Take a few of these, the sweeter memories
Don't forget them please, the sweeter memories
To set your mind at ease, the truest remedies
Are the sweeter memories
There's a life full of pain and a life full of glee
So you see that the rain doesn't mean much to me
For I know that it pays making light
of living's tragedies
Make your days be as bright
Take a few of these, the sweeter memories
