Ugh, ugh, ugh

[AP.9]

Chorus: x2

M-O-B F-I-G-A-Z

A-P N-I-N-E

Don't play me

I'm deadly in this G-A-M-E

My lead be aimin' at yo D-O-M-E

Behead me

[AP.9]

It's like one too many niggas jumped in the game [OK]

It's like niggas in it for the muthafuckin' fame

Not me [uh, uh]

Not AP [naw]

Everything I get on

Niggas know I spit on

Been in this shit since '93

Rockin' a wife beat [ugh]

Niggas know I'm upstreet

Nothin' but concrete

And you can catch me

Sittin' in a Bentley Azur

Gettin' tucked by your whore

Niggas know what I have in store

Niggas started movin' this coke

And the coke kept on movin'

So he hit the boat

A few niggas got smoked

And a few choked

That's the way it goes

I'm livin' up under the "O"

They locked the boat

And now I'm doin' a fuckin' solo

We fuckin' with them homos

No mo, no mo, no mo

Back to the block

Back to the glock

And if they keep talkin' shit

Then get back to your pops

I'm havin' it not
Talk bread [talk bread]
Cut it up and choke it
And watch these suckas
Addin' up they losses
And I'm often Flossin' get a nigga on chill [I said often]
The nigga O Fed
I could kill a nigga at will
Fo' real
I'm tryin' to get a meal
Put a game in steel
Don't say what a nigga want
Cuz you know what a nigga will

[Chorus] x2

[AP.9]
So I parked the big body
Hopped up like Gotti
Nothin' but a gangsta party
Lodi dodi
Niggas facin' hotties
All up in the party
Like sippin' on Bacardi
Suckin' on a lemon lime
We at the bar
Livin' the life of a star
No matter who you are
We takin' this shit by far
Look at my car
Look at me
Look at my ice
Look at yo wife man
Take a look at yo life man
It's like this ya'll
Tear 'em like a spitball
This is it ya'll
Yo bitch wanna get the dick raw
I told her hold on
Hold up on the scrotum
While I fuck her from her back
This gun when it's hauled in
A filthy fuckin' auto [auto]
Stick 'em to a mud or what
Always be a leader [leader]
Can never be a follower
The game goes up [game goes]
And down like yoyo
And I bang knows [bang knows]
Straight to come and get that yayo

[Chorus] x4
