Angel of death is walking through the ice-cold air
to take the witches remains, he comes to take his share
Hangman has done his work, destroying their dirty
minds

Loyal to the church to torture and to bind
Murder and grinding, searching and finding a victim to
kill

Oppression and torment, killing to defend their faith

Bones to ashes, black witches are blown to dust
Bone to ashes, torment's for religious lust
Bones to ashes, black witches are blown to dust
Bone to ashes, torment's for religious lust

Tormenter's raising his torch into the sky
to burn the convicted witch who is condemned to die
He transmutes her body to dust to free her soul
Fire destroys her flesh, no bell for her which tolls

Murder and grinding, searching and finding a victim to
kill

Oppression and torment, killing to defend their faith

Bones to ashes, black witches are blown to dust
Bone to ashes, torment's for religious lust
Bones to ashes, black witches are blown to dust
Bone to ashes, torment's for religious lust

Pest and damnation to those who are delude
Of too much blood and death they are accused
Too much tombs and tiger, a treason to all mankind
Fuck these bastards who are blind
Murder and grinding, searching and finding a victim to
kill

Oppression and torment, killing to defend their faith

Bones to ashes, black witches are blown to dust
Bone to ashes, torment's for religious lust
Bones to ashes, black witches are blown to dust
Bone to ashes, torment's for religious lust
