Exploring the seas to conquer new land
Troops arrayed by the church
Sanctified and blessed they set out
Crusaders, gentiles' scourge
They fight, they kill, they rape,
Under the banner of the "holy" church
They hunt, they lie, they cheat, they steal,
Doing dirty deeds
Conquistadores - hungry for gold, doing as the
religious madman told
Conquistadores - religion's knight, havoc and death
caused by pride
Pearls of glass for ingets of gold
Violence, force and deceit
Taking the wealth or the Indian's life
Their way of feeding their greed
Heathen must turn to Christianity
It's like "believe or die"
Arrogance and blindness, religion's force
Believers never ask the reason why
They fight, they kill, they rape,
Under the banner of the "holy" church
They hunt, they lie, they cheat, they steal,
Doing dirty deeds
Conquistadores - hungry for gold, doing as the
religious madman told
Conquistadores - religion's knight, havoc and death
caused by pride
