Yeah, the howling wild wind blows, eternal freedom
calls

It's soul is running free from care
It's spirit's wild and free flowing in the wind
The taste of freedom's in the air, yeah

The hooves are pounding fast, kicking up the dust
Horse breath is panting really hard
The black horse rears up, it's mane is flying high
Braveness and truth is in it's heart

Call of the wild
Soul's running free
Call of the heart
Desire to flee

Freewind rider, it's mane is waving in the wind
Freewind rider, no chains could hold it down again
Yes, it comes alive, riding the badlands without end
Freewind rider, it's soul is flowing in the wind

Oh, freedom and solitude are flowing through it's heart
To free it's soul from binding chains, yeah
The stallion's running fast right into the sun
The blood is pumping in it's veins

Call of the wild
Soul's running free
Call of the heart
Desire to flee

Freewind rider, it's mane is waving in the wind
Freewind rider, no chains could hold it down again
Yes, it comes alive, riding the badlands without end
Freewind rider, it's soul is flowing in the wind

Mother earth and father wind
It's spirit's running free
If chains would hold it, it would die
Where ever it may be, yeah

The howling wild wind blows, eternal freedom calls

It's soul is running free from care, yeah
It's spirit's wild and free flowing in the wind
The taste of freedom's in the air

Call of the wild
Soul's running free
Call of the heart
Desire to flee

Freewind rider, it's mane is waving in the wind
Freewind rider, no chains could hold it down again
Yes, it comes alive, riding the badlands without end
Freewind rider, it's soul is flowing in the wind
