Liars and deceivers  
We are a thorn in their side  
'Cause we are insisting on our rights

Fed up with their tutelage  
Which we will overcome  
We will stand so they will run, oh

Evil machinations  
For power and for wealth  
They stick at nothing for themselves

Senile and restrained  
They say they know what's wrong or right  
True evil will never see the light, no way

Heads or tails  
Which way you will choose now?  
Die or live, surrender or fight?

Wild and free  
Together we'll stand  
Strong and proud, we claim our rights

I'm a sinner and seducer  
Try to put the blame on me  
Don't give a fuck for the way they see

Stand up and you'll win  
Surrender and you'll lose  
It's heads or tails, you have to choose

Heads or tails  
Which way you will choose now?  
Die or live, surrender or fight?

Wild and free  
Together we'll stand  
Strong and proud, we claim our rights

Heads or tails  
Which way you will choose now?

Die or live, surrender or fight?

Wild and free

Together we'll stand

Strong and proud, we claim our rights

Heads or tails

Which way you will choose now?

Die or live, surrender or fight?

Wild and free

Together we'll stand

Strong and proud, we claim our rights

Heads or tails

Which way you will choose now?

Die or live, surrender or fight?

Wild and free

Together we'll stand

Strong and proud, we claim our rights

Heads or tails

Which way you will choose now?

Die or live, surrender or fight?

Wild and free

Together we'll stand
