A blinding phenomenon lights up the darkened sky  
You think of U.F.O.'s "saucers" that rush by  
Photographs are taken, the public is informed  
You trust in veracity but laugh at you with scorn  
Beware of the man in black, they rule the poison of  
darkness  
Beware of the man in black, the creeping snake that  
lies  
Beware of the man in black, staying black for all  
eternity  
Beware of the man in black, lackeys to the lord of lies  
You don't let rule the lie where the truth should be the  
law  
So pale and blackdressed men are knocking at your  
door  
They use intimidation to bring you into line  
They say it's better to shut up if you think your health is  
prime  
Beware of the man in black, they rule the poison of  
darkness  
Beware of the man in black, the creeping snake that  
lies  
Beware of the man in black, staying black for all  
eternity  
Beware of the man in black, lackeys to the lord of lies  
[Solo]  
Hey Mr. Blackheart do you think you can endure  
'Cause your cover up of truth, your net of lies is poor  
Once the time will come to break the hiding wall  
The truth will bid defiance, in deepest hell you'll fall  
Beware of the man in black, they rule the poison of  
darkness  
Beware of the man in black, the creeping snake that  
lies  
Beware of the man in black, staying black for all  
eternity  
Beware of the man in black, lackeys to the lord of lies  
Beware of the man in black  
Beware of the man in black  
Beware of the man in black  
Beware of the man in black
