A blinding phenomenon lights up the darkened sky
You think of UFOs, saucers that rush by
Photographs are taken, the public is informed
You trust in veracity but they laugh at you with scorn

Beware of the men in black, they rule the poison of
darkness
Beware of the men in black, the creeping snake that
lies
Beware of the men in black, staying black for all
eternity
Beware of the men in black, lackeys to the lord of flies

You don't let rule the lie, where the truth should be the
law
So pale and black dressed men are knocking at your
door
They use intimidation to bring you into line
They say it's better to shut up if you think your health is
prime

Beware of the men in black, they rule the poison of
darkness
Beware of the men in black, the creeping snake that
lies
Beware of the men in black, staying black for all
eternity
Beware of the men in black, lackeys to the lord of flies

Hey Mr. Blackheart, do you think you can endure?
'Cause your cover up of truth, your net of lies is poor
Once the time will come to break the hiding wall
The truth will bid defiance, in deepest hell you'll fall

Beware of the men in black, they rule the poison of
darkness
Beware of the men in black, the creeping snake that
lies
Beware of the men in black, staying black for all
eternity
Beware of the men in black, lackeys to the lord of flies

Beware of the men in black
Beware of the men in black
Beware of the men in black
Beware of the men in black
