In the center of the empire of darkness  
Black fortress stands mighty and proud  
The shelter for the traced and tortured  
For the one who is damned

A dragon is watching for fortress  
Black knights are controlling the land  
To save their protest from torment  
They fight to defend

Rancor, against all raiders  
Beware, if you're renegade's hunter  
Watch out in slough's haze  
Vigilance 'cause death waits

Recourse to the traced  
Be calm, they'll give you shelter  
Restless, they fight for freedom  
Never, they don't let you fall

Mordor, Mordor  
Mordor, Mordor

A shoal of the knights of torture  
Are hunting a witch to the dell  
Sullen shades are raiding their squad  
Church's minions fell

A black knight leads through the mire  
And in Mordor she finds a new life  
A life without pain and torment  
No murder, no lies

Rancor, against all raiders  
Beware, if you're renegade's hunter  
Watch out in slough's haze  
Vigilance 'cause death waits

Recourse, to the traced  
Be calm, they'll give you shelter  
Restless, they fight for freedom  
Never, they don't let you fall

Mordor, Mordor  
Mordor, Mordor
