Slaves to money, bad to the bone
Blood is running through veins unknown
Mindless liars, stone dead souls
Putting you straight into a hole
Virus soiled, you're life's the toll

Covering up, their dirty deed
No turning back, why?
They're just a bad seed

Poisoned blood, money slaves
Poisoned blood, young man's grave
Poisoned blood, selling death
Poisoned blood, so take your last breath

Hell bound killers, germs of death
Their wealth comes first, your life comes last
HIV, the blood is pooled
Money's prime, so greed has ruled
You're jaded body's the one who's fooled

Covering up, their dirty deed
No turning back, why?
They're just a bad seed

Evil suppression, hiding the truth
No compassion, betraying the youth
They're getting rich from lies they've told
Selling your life, rotten and bold
Pound for pound you're measured in gold

Covering up, their dirty deed
No turning back, why?
They're just a bad seed

Poisoned blood, money slaves
Poisoned blood, young man's grave
Poisoned blood, selling death
Poisoned blood, so take your last breath

Poisoned blood, money slaves
Poisoned blood, young man's grave

Poisoned blood, selling death
Poisoned blood, so take your last breath

So take your last breath
