1692, the 29th of May  
Sir "tourville", the admiral, his fleet is on its way  
He commands his ships to 'fight, they attack the British  
line  
He must be caught in senseless pride, to him his  
honour's prime  
His mighty flagship strong and brave, heading for the  
fight  
It pets the British men to grave, cruising through the  
tide  
The veil of night obscures the sea, the tables getting  
turned  
Confusion rules, no chance to flee, his fleet is getting  
burned  
Cannons speak the fatal words, the language of death  
Wipes away to many men, takes away their breath  
Heat and fire, burning pyre  
Smoke and flames, a raging hell  
Death and blood, the fatal rub  
Blows away "Soleil Royal"  
Their position's getting intricate, heading for  
"Cherbourg"  
Desperately they dare their fate, they feel too much  
secured  
Cannons fire round by round, the smell of acred smoke  
Vibrating full from top to ground, shacken by its poke  
Cannons speak the fatal words, the language of death  
Wipes away to many men, takes away their breath  
Heat and fire, burning pyre  
Smoke and flames, a raging hell  
Death and blood, the fatal rub  
Blows away "Soleil Royal"  
To cape "Barfleur" they try to flee, the battle's raging  
hard  
Balls of lead rushing the sea, hit the hull windward  
The English-man hard on their trace, follow turn by turn  
A heavy round, the coupe de grace, tearing up its stern  
[Solo]  
The powder in the storage room, litten by a spark  
Bursting kegs, a giant boom, tear the deck apart  
The blood spills of the scupperholes, the sea is turning  
red

No time to pray, no bell to toll, no burial for the dead  
Cannons speak the fatal words, the language of death  
Wipes away to many men, takes away their breath  
Heat and fire, burning pyre  
Smoke and flames, a raging hell  
Death and blood, the fatal rub  
Blows away "Soleil Royal"  
Heat and fire, burning pyre  
Smoke and flames, a raging hell  
Death and blood, the fatal rub  
Blows away "Soleil Royal"
