Spineless and false you are creeping through time  
Your flag's turning with the wind, your advantage is  
prime  
Feathering your neat is your one and only law  
Treachery and fraud is the sense that you are living for

Living on a lie, a mind-killing spell  
You'll never ever learn cause you're living in your self-  
made hell

You're soulless, when the fire of evil burns in your heart  
You're soulless, cause hate and greed's gonna tear  
you apart

The sledgehammer method is the way in which you act  
You double-cross and cheat, you never show respect  
Spiderlike you crawl, you spin your web of lies  
Eternally you'll lose, cause truth will rule the dice

Living on a lie, a mind-killing spell  
You'll never ever learn cause you're living in your self-  
made hell

You're soulless, when the fire of evil burns in your heart  
You're soulless, cause hate and greed's gonna tear  
you apart

Conceited and dense, imposture is your call  
Selfdestructed clown, imbecility is your fall  
Reality and truth cut you down to size  
Duck your rotten head, be prepared to pay the price

Living on a lie, a mind-killing spell  
You'll never ever learn cause you're living in your self-  
made hell

You're soulless, when the fire of evil burns in your heart  
You're soulless, cause hate and greed's gonna tear  
you apart  
You're soulless, when the fire of evil burns in your heart  
You're soulless, cause hate and greed's gonna tear  
you apart

You're soulless  
You're soulless, heart of stone  
You're soulless  
You're soulless, bad to the bone
