No more eagles gonna ride the wind
Turning circles in the sky
Badlands growing and the bison's gone
Uaschitschun tell me why
Why'd you kill my creed
Claming earth and wind
You never kept your vow
But you can't lock me in
I'm riding free
Riding free with the wind
Free as an eagle
Proud as a king
I'm riding free
Riding free with the wind
Free as an eagle
Proud as a king
[Solo]
My mother's the earth and my father's the wind
You can't posses them, they are free
It's time for you to see what you have done
Can't hold my soul 'cause I will free
Why you kill yourself
Ravage what you need to live
You can't eat your gold
Nature's calling you
I'm riding free
Riding free with the wind
Free as an eagle
Proud as a king
I'm riding free
Riding free with the wind
Free as an eagle
Proud as a king
Riding free
Free as an eagle
I'm Riding free with the wind
Free, Free
Spoken:
Only when the last tree has been felt,
The last fish caught,
The last river posioned
Will you know that man can not eat money
