When I was a kid they taught me the rules  
We did anything they want, we did it like fools  
Holy book, we learned it by heart  
Holy flight, we did take part  
Exploited, my life was a mess  
Religion and war and we were possessed

Inspired and brave, out to the field  
So blind that we couldn't see, our destiny was sealed  
We tried to fight, fell one by one  
Disillusion, our belief had gone  
Exploding shell tore off my legs  
Senses faded by the grenade cracks

Warchild, warchild  
We fought and died for it  
Warchild, warchild  
We cried and bled for it

Warchild, warchild  
We fought and died for it  
Warchild, warchild  
We cried and bled for it

Warchild, warchild  
We fought and died for it  
Warchild, warchild  
We cried and bled for it

Wake up now
