Acid rain and poison cauterize it's skin
A boiling hell we're living in
Bloodstained animals, chainsaw rip the trees
A gasping earth is on it's knees
Choking breath, causing death
Exploitation is your law
Overkill, brakes it's will
You loot it hard and raw
Like you kill the white buffalo
You kill ozone, you brake it's bones
Like you kill the white buffalo
You tan it's hide, sell it's meat on the side
Once a source of glory
Now a reborn hell
Your ivory tower is where you dwell
Gulping it's vital lifeblood
Pollution is rising high
You squeeze it out, you leave it dry
Choking breath, causing death
Exploitation is your law
Overkill, brakes it's will
You loot it hard and raw
Like you kill the white buffalo
You kill ozone, you brake it's bones
Like you kill the white buffalo
You tan it's hide, sell it's meat on the side
Headless, spraying poison
Contaminating air and ground
A misplaced sense of progress
Will destroy it pound for pound
Allergies and cancer, the pay for evil greed
Madness and corruption have sown their evil seed
Choking breath, causing death
Exploitation is your law
Overkill, brakes it's will
You loot it hard and raw
Like you kill the white buffalo
You kill ozone, you brake it's bones
Like you kill the white buffalo
You tan it's hide, sell it's meat on the side
Acid rain and poison cauterize it's skin
A boiling hell we're living in

Bloodstained animals, chainsaw rip the trees
A gasping earth is on it's knees
Choking breath, causing death
Exploitation is your law
Overkill, brakes it's will
You loot it hard and raw
Like you kill the white buffalo
You kill ozone, you brake it's bones
Like you kill the white buffalo
You tan it's hide, sell it's meat on the side
