Like soldiers of fortune, we're cruising the sea
Against all the odds with the urge to be free
We're longing for freedom like an animal that's
chained
We're thirsty for justice like a flower that's drained,
that's drained, yeah

Win or be drowned, so fight hard
Win or be drowned like a wild shark
Win or be drowned, so stand tight
Win or be drowned, freedom's fight, yeah

Slave drivers hunted, our cannons will speak
A frightening terror for the profit they seek
Like sea cruising phantoms on the breath of the sea
We are foiling their plans, hooked, they can't flee, can't
flee, yeah

Win or be drowned, so fight hard
Win or be drowned like a wild shark
Win or be drowned, so stand tight
Win or be drowned, freedom's fight, fight

We're still full of pride, we are fighting for life
For independence we're struggling, we've got to
survive
We're longing for freedom like an animal that's
chained
We're thirsty for justice like a flower that's drained,
that's drained, yeah

So win or be drowned, so fight hard
Win or be drowned like a wild shark
Win or be drowned, so stand tight
Win or be drowned, freedom's fight

Win or be drowned, oh so fight hard
Win or be drowned like a wild shark
Win or be drowned, so stand tight
Win or be drowned, freedom's fight, yeah

Ooh yeah, fight
