Gods & warriors
In a long a gone age
Tragic & glorious
Where fate turned the page
Time was mythical
Mount Olympus alive
Spreading his wings to fly
Touching the golden sky
Fury against the dark
Loyal and true at heart
Winged & feathered, flying on high
Winged & feathered, way up in the sky
Gliding majestically
The winged horse in the sky
Turning perfectly
Natural born to fly
Spreading his wings to fly
Touching the golden sky
Fury against the dark
Loyal and true at heart
Winged & feathered, flying on high
Winged & feathered, way up in the sky
Gods & warriors
In a long a gone age
Tragic & glorious
Where fate turned the page
Spreading his wings to fly
Touching the golden sky
Fury against the dark
Loyal and true at heart
Winged & feathered, flying on high
Winged & feathered, way up in the sky
Winged & feathered, flying on high
Winged & feathered, way up in the sky
