I see the writing
On the wall
I see you baby
Gonna make you feel small
Sweet darlin'
Ooh you gotta be mine
I'm gonna love you baby
For about a hours time

Cause I'm a man
Spelled m
Spelled a
Spelled n
Yes I'm a man
I'm a man
Oooh

I was motivated
Back in town
I saw a cadillac sign sayin'
No money down
So I eased my breaks
And I pulled in my ford
I've gotta have that car
I go ridin' down the road

Mmm let me say it again
Ahh yeah let me tell you again

When I was a little boy
A-not but five years old
A-my mother told me son
A-you got a lotta lovin' in the fold
'cause you gonna be a man
A-you're gonna be a man
A-you're gonna be a man, a you're gonna be be be a
man
