I walk wit a stroll, I got bank rolls;
Pockets on swell, an got money I can blow
So strut wit me, we gon get money;
An blow it like it's infinite cuz we gets money

I walk witta stroll, can't fuck wit da boy;
I gots long money, toss stacks like, whoa
Yeah, yeah, you know what da bizness is;
Shawty, what da bizness is?, I'm here ta cut tha pussy
bitch
Yea, an I aint playin wit ya,
I'm in da club drunk as hell, you get tha picture?
Hell yea, shawty, we gon hit tha sack tonight;
Beat it up like TKO, we gon fight tonight
An I'ma tear it up, work it like an engineer;
Put this 9 inch dick in ya cutty likea pap smear
I'ma run ya ta death likea' tread mill;
I'm like kanye, your work out plan until next year
I hope you got cardio, we gon keep it movin;
You say you want this money, then u gotta prove it
Ya, I think we got us one tonight;
She lookin like a porn star, body like dinomite

I walk wit a stroll, I got bank rolls;
Pockets on swell, an got money I can blow
So strut wit me, we gon get money;
An blow it like it's infinite cuz we gets money

We hit tha crib... shawty like DAMN;
House like WOW, an cars like MAN
... shawty wet just seein this;
Money got her fantasizin thinkin ' I can get used to this '
Hell naw, shawty, thas a no-go;
Gotta keep it 100, pimpin gotta let ya go
Can't do that, thas against g-code;
Hoes aint housewives, yall just cut an go
Not bein funny, I'm just bein honest;
Don't sweat it shawty, work it an ya gettin munnney
Lets light it up, pour it up an take a toast;
You see tha good life, but, ay' now ya know
It's time shawty, now I gotta let ya go;

Asta luego, hoe, now it's time to roll
Gotta get ta work, gotta get my money right;
Bank roll time, I'll see ya at tha club tonight

I walk wit a stroll, I got bank rolls;
Pockets on swell, an got money I can blow
So strut wit me, we gon get money;
An blow it like it's infinite cuz we gets money

Hit tha trap, gettin packs, now it's time to push that;
Getta couple thou today, so I can swag out
Diamonds on my neck from tha lick I picked;
4 stacks in my back pocket just to spend that shit
Life of a mobsta, movin things on tha low;
Feds steady watchin, look around you might see them
hoes
Bonocular wearin ass, investigatin ass;
Come try me, I'ma let tha ratchet spazz
We on that bank roll shit;
An ya already know them boys let tha K spit
No questions, no answer, keep it 100;
You can lose ya life ova that dolla, so no stuntin
We grimey, go getta, will split ya, no problem;
So give it, get robbed, you feel me? no problems
Then it's to tha club, we struttin, we stuntin;
Then it's ya lady we pullin, an you do nothin

I walk wit a stroll, I got bank rolls;
Pockets on swell, an got money I can blow
So strut wit me, we gon get money;
An blow it like it's infinite cuz we gets money
